

A selection of girls school stories all of which stand alone and are not parts of series such as *The Chalet School* or *Abbey School* series. Nos. 5 and 10 come from Christian publishers. All provide healthy “through put” reading with good vocabulary and harmless plots. I never worried about my daughter reading “school stories” she knew real school was nothing like these books!

1. Milne, Paterson J

*The Adventures of Jig & Co.*

No Date (c.1940)
